

PC Tower Case

This computer case features a sleek, modern design. It is a tower design suitable for ATX or Micro-ATX motherboards.

Overview

Modern Tower Design

This sleek and modern computer tower case is designed with a minimalist aesthetic, featuring a clean white front panel accented by elegant silver trim. Engineered for versatility, it provides a stable and professional housing for your internal components. Its thoughtful design combines style with functionality, making it an ideal choice for office or home workstation builds.
