

# Pen-Shaped USB Flash Drive with Ballpoint Pen

This pen-shaped USB flash drive combines the functionality of a ballpoint pen with portable data storage. It features a sleek, silver-colored metallic finish and a retractable USB connector, protected by the pen's body when not in use.

## Product Overview

### Dual-Function Design

This pen-shaped USB flash drive seamlessly integrates a high-quality ballpoint pen with portable data storage, making it an ideal promotional gift or executive accessory. Its sleek, metallic finish and pocket clip design ensure both style and portability for professional use. The device supports plug-and-play functionality for modern operating systems, ensuring quick and reliable file transfers.
