

Personal Smoothie Blender

This personal blender features a Tritan bottle that is BPA-free and operates with low noise. It is compact and portable, making it ideal for smoothies and shakes on the go.

Product Overview

Compact Performance

This personal smoothie blender is designed for professionals and active individuals who require a quick, efficient solution for shakes and smoothies on the go. Featuring a 300W motor and simple one-touch operation, it delivers consistent blending performance for fruits and vegetables. The durable 0.5L BPA-free Tritan container doubles as a travel bottle, making it an ideal choice for a busy, health-conscious lifestyle.
