

Petrol Powered Chainsaw

This high-performance petrol chainsaw is designed for demanding cutting tasks. It features a powerful engine, durable construction, and ergonomic design for comfortable operation.

Product Overview

High-Performance Petrol Chainsaw

This petrol-powered chainsaw is engineered for demanding cutting tasks, offering a robust 45.8cc 2-stroke engine. With a power output of 1.6kW, it delivers reliable performance for both professional landscaping and intensive home maintenance. The inclusion of an Oregon bar and chain system ensures precision cutting, while the automatic lubrication and fuel primer features enhance operational efficiency and ease of use.

Engine Specifications

Power Output

1.6 kW
Power

Engine Displacement	45.8 cc
Engine Type	2-Stroke

Cutting System

Bar Length	45 cm
Chain Pitch	0.325"

Features

Key Features	Fuel Primer, Automatic Chain Lubrication
