

Phillips and Flat Head Screwdriver Set

This set includes a Phillips head and a flat head screwdriver. They feature durable metal shafts and ergonomic handles for a comfortable grip, suitable for various fastening tasks.

Product Overview

Professional Screwdriver Set

This screwdriver set consists of a Phillips head and a flat head driver, designed for professional construction, repair, and home improvement tasks. Each tool is crafted from high-quality CRV steel to ensure long-lasting durability and resistance to wear. The ergonomic handles provide a comfortable, non-slip grip, while the magnetic tips allow for easy handling of fasteners in tight spaces.
