

Plaid Padded Tablet Case with Straps

This padded case is designed to protect tablets from damage. It features a plaid pattern, zipper closure, and attached straps for carrying.

Product Overview

Stylish and Functional Protection

This plaid padded tablet case offers a sophisticated blend of style and utility for the modern professional. Designed with a distinct navy, white, and red plaid pattern, it provides a unique aesthetic while ensuring your device remains protected. The integrated straps allow for versatile carrying options, functioning effectively as a small backpack or shoulder bag, making it an ideal choice for commuting or travel.
