

Plastic Alphabet Letter H Toy

This is a solid red plastic letter 'H' toy. It features a simple, blocky design with rounded edges and a smooth, matte finish.

Product Overview

Educational Plastic Letter Toy

This solid red plastic letter 'H' toy is designed for educational environments and early learning. Featuring a smooth, matte finish and rounded edges, the blocky design ensures safety while remaining easy for small hands to grasp. Its durable construction makes it an ideal choice for repeated, long-term use in classrooms or home learning settings.
