

Plastic Spring Clamp

This pinch clamp is constructed from durable plastic and features a spring-loaded mechanism for consistent pressure. Its ergonomic handle provides a comfortable grip, while the wide jaws ensure a secure hold on various materials.

Product Overview

Versatile Pinch Clamp

This versatile pinch clamp is designed for a variety of holding and securing applications. Constructed from durable plastic, the clamp features a reliable spring-loaded mechanism that ensures consistent pressure and ease of use. With an ergonomic handle for comfort and wide jaws for a secure hold, it is an essential tool for woodworking, crafting, photography, and general household tasks.
