

Plug-In LED Night Light

This plug-in LED night light provides a soft, ambient glow for hallways, bedrooms, or bathrooms. It features a simple on/off switch and a compact design that doesn't block adjacent outlets.

Product Overview

Ambient Lighting Solution

This plug-in LED night light is designed to provide a soft, ambient glow, making it an ideal choice for hallways, bedrooms, and bathrooms. Its compact form factor ensures it does not obstruct adjacent wall outlets, allowing for efficient use of space. Engineered for reliability, the energy-efficient LED technology ensures long-lasting performance with minimal power consumption.
