

# Plug-In LED Night Light with Light Sensor

This plug-in night light emits a soft, ambient glow. It features a clear ribbed plastic cover, a metal cage, and a light sensor for automatic activation.

## Product Overview

### Industrial-Inspired Ambient Lighting

This Plug-In LED Night Light combines vintage industrial aesthetics with modern, energy-efficient illumination. Featuring a clear ribbed cover and a protective metal cage, it provides a soft, ambient glow perfect for hallways and bedrooms. The integrated light sensor ensures automated operation for added convenience and energy savings.

## Technical Specifications

Power Source	Direct wall plug-in
Lighting Technology	LED
Integrated Sensors	Light Sensor

## Design and Materials

### Construction Materials

- Ribbed plastic cover
- Metal protective cage
- White housing

Design Style	Vintage Industrial
