

Pneumatic Rubber Bicycle Tyre 28x1.1/2

This pneumatic rubber bicycle tyre is designed for optimal performance and durability. It features a robust tread pattern for enhanced grip and control on various terrains.

Product Overview

Robust tread pattern designed for optimal grip and control on urban surfaces.

High-Performance City Bike Tyre

This pneumatic rubber bicycle tyre is specifically engineered for city bikes required to carry heavy loads. Featuring a robust construction, it offers superior durability and a smooth ride for urban commuting. The design includes a distinctive red line and black lining, combining functional strength with a classic aesthetic.

Technical Specifications

Durable construction specifically rated for heavy-load city bike applications.

Size	28x1.1/2
Item Number	DBB1101
Material	Pneumatic Rubber
Color	Red line and black lining

Performance & Application

Primary Application

- City bikes
- Heavy load carrying
- Urban commuting

Key Features

Puncture Resistant, Superior Grip, Wear Resistant, Heavy Duty

Supply & Logistics

Monthly Supply Ability

50000 Pcs/Month

Supply Ability
