

Pneumatic Wheelbarrow with Plastic Tub

This wheelbarrow is designed for landscaping, gardening, and construction tasks. It features a durable plastic tub, supported by a sturdy metal frame and a single pneumatic tire.

Overview

Versatile Material Transport

This robust wheelbarrow is engineered for a variety of landscaping, gardening, and construction tasks. Featuring a durable red plastic tub paired with a sturdy orange metal frame, it is built to withstand demanding work environments. The ergonomic handles ensure a comfortable grip, allowing for efficient operation while transporting materials like soil, mulch, and gravel.

Design & Build
