

Pole Saw and Hedge Trimmer Attachment Set

This multi-tool attachment set provides versatility for pole saw or hedge trimmer use. It includes a hedge trimmer attachment, a pole saw attachment, and a powerhead unit for efficient cutting and pruning.

Product Overview

Versatile Multi-Tool Attachment Set

This multi-tool attachment set offers enhanced versatility for maintenance tasks, featuring both a hedge trimmer and a pole saw attachment. Designed for efficiency, the hedge trimmer includes dual-action blades, while the pole saw provides a durable chain for pruning branches. The system is engineered for quick and secure connection to the powerhead, making it ideal for maintaining hedges, trees, and shrubs in hard-to-reach areas.

Technical Specifications

Included Components

- Hedge trimmer attachment
