

# Portable 12-Band FM/MW/SW TV Sound Radio

This portable radio receiver supports 12 bands, including FM, MW, SW, and TV sound. It is powered by AA batteries and has a compact design.

## Overview

### Portable 12-Band Receiver

This compact 12-band radio receiver offers versatile listening options, covering FM, MW (Medium Wave), SW (Short Wave), and TV sound frequencies. Designed for portability, it features a telescopic antenna for improved signal reception and a built-in speaker for clear audio output. It is an ideal solution for users needing a reliable, battery-operated radio for travel or emergency preparedness.
