

# Portable 12V Car Jump Starter with Smart Cables

This portable car jump starter supports most 12V gasoline and diesel vehicles. It can also function as a backup charger for cell phones, tablets, laptops, and other 12V vehicle products.

## ADDITIONAL IMAGES

## Overview

### Versatile Emergency Power Solution

This portable 12V jump starter is a multi-functional power bank designed to support most gasoline and diesel vehicles, including cars, motorcycles, and motorboats. Beyond emergency jumping, it serves as a high-capacity backup charger for laptops, tablets, and smartphones. Equipped with advanced safety features and a built-in LED flashlight with SOS modes, it is an essential tool for road safety and mobile power needs.

## Performance Metrics

### Power Performance

**18000 mAh**  
Battery Capacity

**600 A**  
Peak Current

**300 A**  
Start Current

## Technical Specifications

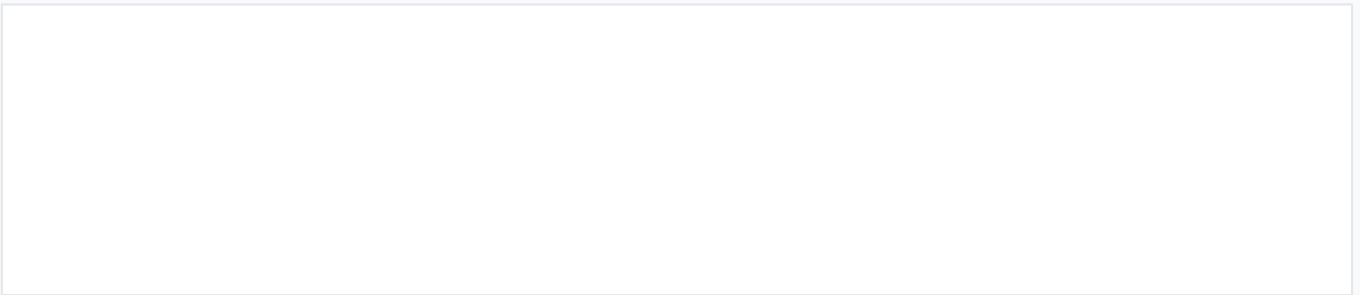

Detailed view of the input and output interface, featuring multiple DC and USB ports for versatile device charging.

### Input & Output Parameters

Port Type	Specification
DC Input	15V / 1A
Micro USB Input	5V / 2A
Laptop Output	19V / 3.5A
DC Output	12V / 10A
USB Fast Charge	5V / 2.4A
Standard USB Output	5V / 1A

## Safety Features

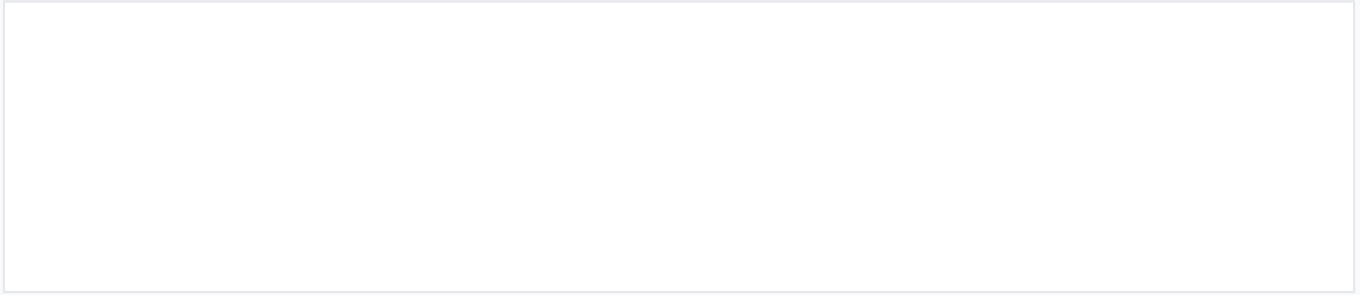

The smart booster cable features LED status indicators to ensure safe connection and operation during vehicle jump-starts.

### Smart Protection Systems

- Reverse connection protection
- No-spark safety technology
- Short circuit protection
- Auto-shut off functionality
- High temperature protection
- Over-current & Over-voltage protection

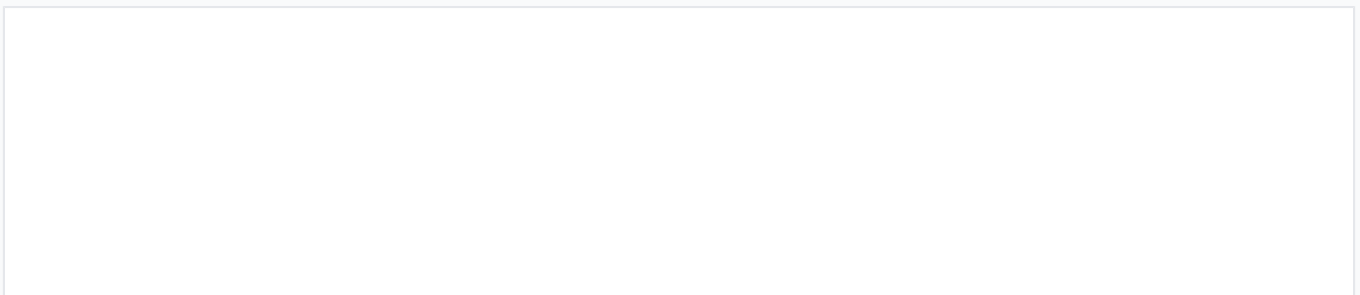

## Physical Properties

Durable, heavy-duty smart clamps designed for safe 12V engine ignition.

Net Weight	688 g
Device Dimensions	8 x 4 x 1.8 inches
Operating Temperature	0 to 60

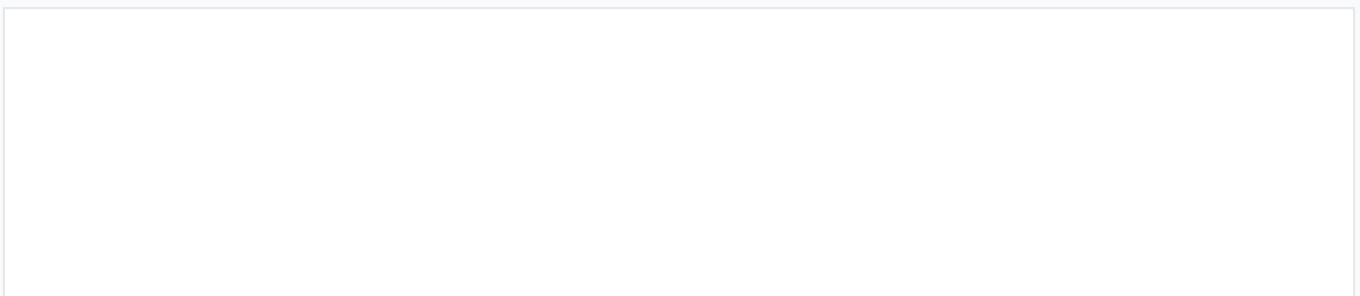

## Operation & Utility

Rugged and compact design featuring a high-intensity integrated flashlight with SOS and strobe emergency modes.

LED Flashlight Modes	High, Strobe, SOS
Battery Lifetime	1000 cycles

## Kit Contents

The comprehensive kit includes smart cables, various charging adapters for laptops and mobile devices, and a protective storage case.

### Package Includes

- Jump Starter Unit
- Smart Booster Cables
- Multi-connector USB Cable
- Laptop Connector Set
- Wall Charger
- Car Charger
- Switch Cable
- Durable Storage Case

## Compliance

### Certifications

CE • RoHS • FCC
