

Portable Concrete Mixer with Rotating Drum

This portable concrete mixer features high efficiency and a long lifetime. It is designed with a rotating drum and is available in OEM color.

Overview

Professional Portable Concrete Mixer

This portable concrete mixer is engineered for efficiency and reliability on small to medium-sized construction sites. Featuring a uniquely molded drum design that eliminates the need for welding, it ensures high performance and consistent mixing quality. The unit is built with a sturdy frame and wheels, allowing for easy transportation and maneuverability across job sites.

Technical Specifications

Performance Metrics

210 L

Max Discharge Volume

400 L

Max Drum Capacity

25 r/min

Mixing Drum Speed

Unit Weight Options

- 320
- 340

Motor Rotate Speed

3000 r/min

Power Options

Available Power Sources

4 kW Electric Motor, 6 HP Diesel Engine, 6.5 HP Gasoline Engine

Logistics

Container Loading Quantity
