

Portable Electric Clothes Dryer with Aroma Function

This portable electric clothes dryer features a cylindrical design with a tripod base, ideal for indoor use. The dryer includes an aroma function to impart a pleasant scent to clothes during the drying process.

Product Overview

Compact Drying Solution

This portable electric clothes dryer offers a convenient and space-saving solution for indoor garment care. Designed with a tripod base and a cylindrical cover, it is ideal for small living spaces or temporary setups. The integrated aroma function adds an extra layer of freshness to your laundry, ensuring clothes are dried efficiently while smelling great.
