

Portable Evaporative Air Cooler with Ice Packs

This portable air cooler provides rapid cooling through water evaporation. It features three fan speeds, multiple wind modes, and includes two ice crystal boxes for enhanced cooling.

Product Overview

Efficient Portable Cooling Solution

This portable evaporative air cooler offers a powerful and energy-efficient way to manage indoor temperatures. Designed for versatility, it features a high-capacity 45L water tank and robust airflow, making it suitable for spaces ranging from 25 to 40 square meters. With its integrated caster wheels and adjustable settings, it provides a flexible cooling alternative for homes, offices, and commercial environments.

Technical Specifications

Model Number	HS-688A
Power Consumption	130 W
Voltage/Frequency	220V/50Hz

Performance Metrics

Performance Overview

6800 m3/h

Air Flow

45 L

Water Tank Capacity

40 m2

Max Applicable Area

Physical Dimensions

Product Dimensions

Metric	Value
Product Size	500 x 350 x 1010 mm
Carton Size	540 x 375 x 975 mm
Gross Weight	11.5 kg
Net Weight	9.6 kg

Logistics

Container Loading (40HQ)	340 PCS
