## ADDITIONAL IMAGES

## Overview

### Versatile Evaporative Cooling

This portable evaporative air cooler combines cooling, humidifying, and air purifying functions into a single compact unit. Designed for efficiency and ease of use, it features an oscillating fan for wide-area coverage, making it an ideal solution for homes, offices, or dorm rooms. The unit is available in multiple configurations, including mechanical and remote-controlled models, to suit various operational preferences.

## Technical Specifications

### Performance Metrics

**1500 m<sup>3</sup>/h**

**8 L**

Water Capacity

**1 Year**

Warranty Period

### Model Specifications

Model	Airflow	Power	Area	Weight (N.W.)
LK-380A/C	1500	100W	5-10 m <sup>2</sup>	4.0kg
LK-380AD/CD	3000	200W	10-15 m <sup>2</sup>	6.5kg

## Compliance & Logistics

### Electrical Compatibility

- Voltage: 110V-220V
- Frequency: 50Hz-60Hz
- Customizable Plugs Available

### Trade & Order Information

- MOQ: One 40'HQ container
- Payment: T/T, L/C, or Negotiable
- Customization: OEM branding and language support available
- CKD/SKD options supported

### Certifications

CE, CB, CCC, SASO, ISO9001
