

# Portable Gasoline Generator

This portable gasoline generator provides electrical power in remote locations or during power outages. It features a robust frame for protection and portability.

## Product Overview

### Reliable Portable Power

This portable gasoline generator is engineered to deliver consistent electrical power in remote locations or during unexpected power outages. Built with a robust protective frame, it ensures durability while maintaining ease of transport for various field applications. Featuring a user-friendly control panel and standard AC output, it provides a dependable energy solution for essential equipment.

## Technical Specifications

Model Number	SH2900dx
AC Output Voltage	220 V
Engine Type	Gasoline

## Features

### Ideal Applications

- Remote locations
- Power outages
- Field operations

### Key Features

Portable, Robust Frame, Control Panel, AC Output
