Overview

Reliable Portable Power

This portable gasoline generator is engineered for versatility and safety, featuring a robust 4-stroke OHV engine suitable for diverse power needs ranging from 1.0kW to 9.0kW. Equipped with advanced Automatic Voltage Regulation (AVR) and an integrated oil alert system, it ensures stable power delivery and engine longevity. Designed for professional use, the unit includes options for electric start and enhanced portability features like wheels and handles.

Technical Specifications

Rated Power Range

1 kW

Minimum Power

9 kW

Maximum Power

Engine Specifications

4-stroke, OHV (overhead valve), single cylinder, air-cooled

Voltage & Phase Options

230V, Single Phase, Three Phase

Safety & Protection

Integrated Safety Systems

- Automatic Voltage Regulation (AVR)
- Over-voltage protection
- Overheat protection
- Overload protection
- Low-oil automatic shut-off

Compliance & Quality

Certifications

CE • EURO V • EPA • ISO 9001:2015

Quality Assurance

100% tested before delivery

Service & Warranty

Warranty Coverage

2 years or 600 continuous working hours

OEM Services

Yes
