Overview

Reliable Portable Power

This portable gasoline generator is engineered for efficient and dependable power generation. Featuring a robust OHV engine and a brushless motor, it is designed for consistent performance in various applications. The unit includes essential safety features like an integrated oil warning system and is housed within a durable protective frame for ease of transport and longevity.

Technical Specifications

Model Number	LG5700DC
Engine Type	OHV Engine
Motor Technology	Brushless Motor

Power Output

AC Output	230V
DC Output	12V

Features

Available Outlets

- AC Power Outlet
- DC Output Terminals

Safety & Control	Oil Warning System, Stop Switch, Voltmeter, Protective Frame
