

Portable High-Pressure Steam Cleaner

This is a compact and lightweight portable steam cleaner. It features a high-pressure steam output for effective stain removal and sanitization.

Product Overview

Portable High-Pressure Steam Cleaner

This compact and lightweight portable steam cleaner is engineered for versatile cleaning tasks, offering high-pressure output for effective stain removal and sanitization. It features durable construction with essential safety mechanisms like a pressure release valve and overheat protection. Designed for efficiency, it includes multiple attachments for various surfaces, making it an ideal solution for professional cleaning environments.

Performance Metrics

Power Consumption

1050 W

Max Power

3 bar

Max Steam Pressure

28 g/min

Steam Capacity

Continuous Steam Time

10 mins

Technical Specifications

Voltage Compatibility	220V-240V/50Hz, 110V-120V/60Hz
Water Tank Capacity	250 ml
Power Cord Length	3 m
Adjustable Steam	Yes

Physical Dimensions

Weight Details

Type	Weight
Net Weight	12.6 kg
Gross Weight	13.4 kg

Overall Dimensions	285 x 145 x 225 mm
