Overview

Versatile Illumination Solution

This portable LED work light is designed for professional use in construction sites, workshops, and emergency scenarios. Featuring a robust, compact design with integrated magnets and a hook, it offers hands-free operation and easy positioning. The energy-efficient LED technology ensures reliable, bright illumination, while the rechargeable lithium-ion battery provides cordless convenience for demanding work environments.

Technical Specifications

Voltage	3.7 V
Battery Capacity	2200 mAh
Battery Chemistry	Li-ion

Features

Design Features

- Swivel head for adjustable direction
- Portable and compact design
- Durable construction
- Rechargeable battery

Mounting Options	Magnetic Base, Hanging Hook
Adjustability	Yes
