

Portable Multi-Blade Box Fan

This compact box fan is designed for personal cooling. It features a multi-blade fan encased in a square frame with front and rear grills and a rotary dial for speed control.

Product Overview

Compact Cooling Solution

This 9-inch portable box fan is designed for efficient personal cooling in various environments, including homes, offices, and dorm rooms. Featuring a robust multi-blade design encased in a durable square frame, it ensures consistent airflow while maintaining safety with front and rear grills. With its simple rotary dial interface, users can easily select from three distinct speed settings to customize their comfort level.
