

Portable Multimedia Player with CD/DVD and Stereo Speakers

This portable multimedia player comes with an integrated screen and CD/DVD player. It also features stereo speakers.

Product Overview

Versatile Entertainment Station

This portable multimedia player combines a 7-inch color TFT LCD display with integrated CD/DVD playback capabilities to provide a complete audio-visual experience. Designed for mobility, the unit features stereo speakers and dual AC/DC power operation, allowing it to function both indoors and in remote locations. It serves as an all-in-one media center with support for radio, USB storage, and memory cards.
