

Portable Pressurized Steam Cleaner

This portable steam cleaner is designed for versatile cleaning applications. It features a handheld design with a nozzle attachment for targeted steam delivery.

Overview

Portable Pressurized Steam Cleaner

This portable steam cleaner offers a powerful solution for versatile cleaning tasks, utilizing high-pressure steam to sanitize and clean various surfaces efficiently. Designed for convenience, it features an adjustable steam function and a generous 3-meter power cord for extended reach. With a compact form factor and rapid steam output, it is an ideal tool for professional maintenance and household cleaning needs.

Technical Specifications
