

# Portable Steam Cleaning Machine

This portable steam cleaning machine is designed for various cleaning tasks. It features a lightweight design and a steam nozzle for effective cleaning.

## Overview

### Portable Steam Cleaning Solution

This portable steam cleaning machine is designed for versatile and efficient cleaning tasks. Featuring a compact and lightweight design, it includes an adjustable function for precise steam control, making it ideal for various surfaces like floors and tiles. With a 250ml capacity and rapid steam generation, it provides a practical solution for both home and light commercial use.

## Performance

### Key Performance Metrics

<b>1050 W</b> Max Power	<b>3 bar</b> Max Steam Pressure	<b>28 g/min</b> Steam Capacity	<b>10 mins</b> Continuous Steam
----------------------------	------------------------------------	-----------------------------------	------------------------------------

## Technical Details

### Electrical Specifications

- Voltage: 220V-240V/50Hz
- Voltage: 110V-120V/60Hz
- Power Cord Length: 3m

Water Tank Capacity: 250 ml

Adjustable Function: Yes

## Dimensions and Weight

### Weight Information

Type	Weight
Net Weight	12.6 kg
Gross Weight	13.4 kg

Unit Dimensions: 285 x 145 x 225 mm

## Logistics

### Container Loading Capacity

Container Type	Quantity
20'FT	3204 PCS
40'FT	6408 PCS
40'HQ	6912 PCS
