

Portable Trolley Speaker with Bluetooth and LED Lighting

This portable trolley speaker is equipped with Bluetooth, USB/TF, FM radio, and aux input. It features LED color-change reflection light and is compatible with both wired and wireless microphones.

Overview

Professional Portable Audio Solution

This portable trolley speaker is designed for versatile audio performance in both indoor and outdoor environments. It features a high-fidelity 1-inch and 8-inch driver combination that delivers clear sound with a wide frequency response. Equipped with integrated LED lighting, Bluetooth connectivity, and a rechargeable battery, it offers both aesthetic appeal and mobile convenience for professional use.
