

Power Steering Rack for VW Jetta Golf Audi A3

This power steering rack is designed for Volkswagen Jetta, Golf, and Audi A3 models with 1.8L or 2.0L engines. It provides smooth and responsive steering, enhancing vehicle control and driver comfort.

Product Overview

Precision Engineered Steering Control

This power steering rack is specifically designed for 1.8L and 2.0L engine configurations in Volkswagen Jetta, Golf, and Audi A3 models produced between 1993 and 1998. Engineered to meet or exceed OEM specifications, the unit ensures responsive handling and reliable performance under demanding driving conditions. Its robust construction and direct-replacement design facilitate a straightforward installation process, restoring optimal steering control to your vehicle.
