

# Professional Brush Cutter with Anti-Vibration System

This professional brush cutter features a primer bulb for easy starting and an effective anti-vibration system. The engine has a clean air-intake system and the structure includes a combination throttle/switch.

## Product Overview

### Professional Performance

The professional brush cutter is a robust and reliable tool engineered for demanding landscaping and vegetation management tasks. Featuring a powerful 30.5cc engine, it delivers high cutting performance for tackling thick grass, weeds, and dense brush. Its ergonomic design ensures operator comfort during extended work sessions, while durable construction ensures long-lasting reliability for professional groundskeeping crews.

## Technical Specifications

Engine Displacement	30.5 cc
Max Energy Power	700 W
Fuel Mixture Ratio	25:1
Ignition System	C.D.I

## Physical Attributes

Pole Diameter	26 mm
Weight	6.2 kg
Features	Anti-Vibration System, Ergonomic Design, Heavy-Duty Construction
