

Professional Ceramic Hair Straightener

This professional ceramic hair straightener features color-changing plates for efficient styling. It is equipped with adjustable temperature control, a swivel cord, and a safety shut-off function.

Overview

Professional Ceramic Hair Styling

This professional-grade ceramic hair straightener is engineered for high-performance styling, delivering ultra-shiny, sleek, and smooth results. Featuring high-grade ceramic plates and a rapid PTC heating system, it reaches 210°C in just 1 to 1.5 minutes to save time and energy. Designed for durability and ease of use, it includes a 360-degree swivel cord and high-temperature resistant PET housing.
