

# Professional Garment Steamer with Adjustable Height and Steam Control

The garment steamer gently handles delicate fabrics while effectively treating heavier materials like drapes and upholstery. It freshens fabrics, releases wrinkles, and reduces dust mite allergens without chemicals.

## ADDITIONAL IMAGES

## Overview

### Professional Garment Care

This professional-grade garment steamer is designed for efficient, hands-free wrinkle removal. Featuring a powerful 1500W heating element and continuous steam output, it is suitable for a wide variety of fabrics. The unit includes a telescopic pole for adjustable height and a removable water tank for convenient, uninterrupted operation.
