

Professional Miter Saw with Adjustable Angle

This professional miter saw is equipped with a 1400W motor, delivering a blade speed of 3800 min-1. The miter angle can be adjusted from 0° to 45° for versatile cutting.

Overview

Professional Performance

This professional-grade miter saw is engineered for precision and reliability in demanding work environments. Powered by a robust 1400W motor, it delivers consistent cutting speeds for clean, accurate results. With adjustable miter angles from 0° to 45° and a durable construction, it provides the versatility needed for various woodworking and construction tasks.
