

Professional Paint Brush with Wooden Handle

This professional-grade paint brush features dense black bristles and a durable wooden handle. It also has a robust metal ferrule that ensures secure bristle retention for smooth and even paint application.

Product Overview

Professional Grade Paint Application

This professional-grade paint brush is engineered for precision and durability in demanding painting tasks. It features high-density bristles designed to deliver smooth, even coverage across a variety of surfaces. The ergonomic wooden handle ensures comfort during extended use, while the robust metal ferrule guarantees secure bristle retention for a reliable, streak-free finish.

Design & Construction

Handle Material	Wood
