

Pruning Shear, Scissor, and Saw Garden Tool Set

This garden tool set includes pruning shears, scissors, and a saw. The tools feature yellow handles and are packaged for retail display.

Product Overview

Professional Garden Tool Trio

This comprehensive garden tool set is designed for versatility and efficiency in landscaping and maintenance tasks. The kit includes a pruning shear for precise cuts, scissors for lighter trimming, and a saw for handling thicker branches. Featuring ergonomic yellow handles for high visibility and comfort, this set is an essential addition to any professional or home gardening toolkit.
