

PU/PVC Car Seat Cover Set

This car seat cover set is made from PU/PVC materials, offering durability and water resistance. It protects the original upholstery from wear, spills, and stains, and fits most standard car seat designs.

Product Overview

Durable Protection and Enhanced Comfort

This PU/PVC car seat cover set offers a premium solution for protecting vehicle upholstery from daily wear, spills, and stains. Engineered with a balanced blend of polyurethane and polyvinyl chloride, these covers deliver excellent water resistance and long-lasting durability. The design features a versatile two-tone aesthetic that enhances the vehicle interior while ensuring a straightforward installation process for most standard car seat configurations.
