Product Overview

Professional Grade PVA Cleaning Sponge

This premium PVA car cleaning sponge is engineered for superior absorption and durability. Featuring a unique waist-shaped design, it provides an ergonomic grip that reduces user fatigue during extended cleaning sessions. Its coarse-pore construction ensures rich foam generation and efficient dust collection, making it an essential tool for both vehicle maintenance and household cleaning tasks.

Physical Attributes

Ergonomic Design

Waist-shaped

Material & Performance

Material Composition

Coarse-pore PVA

Key Properties

Super Absorbent, Mildew-resistant, Odor-resistant, Non-scratch

Applications

Versatile Usage

- Car Cleaning
- Dish Washing
- Wall Cleaning
- Door and Window Cleaning
- Table Maintenance
