

Ratchet Pipe Cutter (8-29mm)

This ratchet pipe cutter is designed for cutting pipes with diameters ranging from 8 to 29mm. Its ratchet mechanism ensures efficient and precise cutting.

Product Overview

Professional Ratchet Pipe Cutter

This high-performance ratchet pipe cutter is engineered for precision and efficiency in plumbing and maintenance tasks. Featuring a robust design, it is capable of handling pipe diameters ranging from 8mm to 29mm. The integrated ratchet mechanism allows for smooth, controlled cutting, minimizing physical effort while ensuring clean and accurate results for professional applications.

Technical Specifications

Minimum Cutting Diameter	8 mm
Maximum Cutting Diameter	29 mm
Model Identifier	802002

Key Features

Product Highlights	Ratchet Mechanism, Precision Cutting, Durable Construction
--------------------	--
