

Ratchet Pipe Cutter for Plastic Tubing

This pipe cutter is designed for cutting plastic pipes and tubing like PVC, CPVC, and PEX. It utilizes a ratchet mechanism and a sharp, replaceable blade to ensure clean and precise cuts with minimal effort.

Product Overview

Ratchet Pipe Cutter

This professional-grade hand tool is designed specifically for cutting plastic pipes and tubing including PVC, CPVC, PEX, PP, and polyethylene. Featuring an integrated ratchet mechanism, it allows for efficient cutting with minimal user effort. The ergonomic handle is designed for comfort, reducing fatigue during extended plumbing or irrigation installation tasks.

Technical Specifications

Model	ZSTJ42
Max Cutting Diameter	42 mm
Body Material	Aluminium Alloy
Surface Treatment	Spraying Plastic

Dimensions

Dimensions (L x W x H)	20.2 x 9.6 x 2.5 cm
------------------------	---------------------

Features

Key Characteristics	Ratchet Mechanism, Ergonomic Design, Replaceable Blade, Corrosion Resistant
