

## Rear Bumper for VW Golf 6 R20 (2008-2012)

This rear bumper is designed for VW Golf 6 R20 models produced from 2008 to 2012. It features a matte gray upper section and a glossy black lower diffuser with dual exhaust cutouts.

### Product Overview

#### Sporty Upgrade for Golf 6 R20

This rear bumper is specifically engineered for the Volkswagen Golf 6 R20 series manufactured between 2008 and 2012. It features a sophisticated design with a matte gray upper section paired with a glossy black lower diffuser to enhance the vehicle's aesthetic. The construction utilizes high-quality PP plastic, providing a balance of durability and impact resistance for long-term performance.
