

Rear Bumper for VW Golf 7 R-Line (2013-2014)

This rear bumper is designed for VW Golf 7 R-Line models from 2013-2014. It enhances the vehicle's aesthetics, provides reliable protection, and ensures a precise fit.

Product Overview

Sporty Aesthetic Upgrade

This rear bumper is custom-engineered for the Volkswagen Golf 7 R-Line, specifically catering to models produced between 2013 and 2014. It provides a precise factory-style fit and significantly elevates the vehicle's rear profile with its integrated sporty diffuser design. Built from high-quality materials, the component ensures both long-term durability and reliable impact protection.
