

Rechargeable 360-Degree Camping Lantern

This rechargeable camping lantern provides 360-degree light distribution. It uses a 6V 4Ah rechargeable sealed lead-acid battery and two 6W fluorescent tubes.

Product Overview

Versatile 360-Degree Lighting

This rechargeable lantern provides reliable 360-degree illumination, making it an ideal companion for outdoor activities and emergency preparedness. Engineered with dual 6W fluorescent tubes, it offers flexible lighting modes to suit your needs while ensuring long-lasting performance. With integrated overcharge and overdischarge protection, this lantern combines safety and durability for professional and recreational use.
