

Rechargeable Cordless Lady Shaver with Dual Blades

This rechargeable lady shaver offers cordless operation and a washable design. It is equipped with reciprocal dual blades and provides 25-30 minutes of runtime after an 8-hour charge.

Product Overview

Designed for Comfort and Performance

This rechargeable cordless lady shaver provides a convenient and gentle hair removal experience for both wet and dry use. Featuring a robust reciprocal dual-blade system with high-speed motor operation, it ensures smooth and efficient results. Its ergonomic and portable design makes it an ideal choice for both home grooming and travel.
