

Rechargeable Electric Wine Opener with Foil Cutter

This electric wine opener provides effortless, one-touch cork removal every time. It is rechargeable for cordless operation and includes a foil cutter.

Product Overview

Effortless Wine Opening

This rechargeable electric wine opener simplifies the uncorking process, removing corks in just 8 seconds. Designed with a durable aluminum body and sand-blasted finish, it combines eco-friendly operation with modern aesthetics. Perfect for both home and professional use, it offers reliable performance with a long-lasting battery.
