

Rechargeable Fluorescent Tube Lantern with Torch

This rechargeable lantern includes a 7W energy-saving fluorescent tube and a separate torch function. It automatically lights up during power failures.

Product Overview

Versatile Emergency Lighting

This rechargeable fluorescent tube lantern is a reliable lighting solution designed for both general use and emergency situations. Featuring a dual-mode design, it includes a high-efficiency fluorescent tube for wide-area illumination and an integrated torch for focused spotlighting. The unit provides peace of mind with an automatic light-up function during power failures, ensuring safety when you need it most.
