

Rechargeable LED Bedside Night Light

This rechargeable LED night light features a compact design with integrated LED arrays for illumination. It includes a power switch for on/off control and is powered by a rechargeable battery, using a USB charging cable.

Product Overview

Professional LED Bedside Solution

This versatile rechargeable LED night light provides a flexible lighting solution for various indoor environments. Featuring 40 high-quality 5730 SMD LEDs, it delivers a consistent 400 lumens of light with adjustable color temperatures ranging from 3000K to 6500K. The compact design and integrated 1200mAh battery make it an essential utility for modern bedside or task-oriented applications.

Technical Specifications

Brightness

400 LM

Lumen Output

Rated Power	6 W
Input Voltage	DC 5.0V
Battery Capacity	1200 mAh
LED Configuration	40 pcs 5730 SMD

Physical Dimensions

Product Size	8.5 x 12.0 x 2.5 cm
