Product Overview

Versatile Rechargeable Illumination

This rechargeable LED light bar offers a flexible and energy-efficient lighting solution for cabinets, closets, and corridors. Featuring both PIR motion sensing and ambient light detection, it provides automated, hands-free operation. Its portable design allows it to be easily detached from its mounting base, while the rechargeable battery ensures convenient, wire-free usage.

Lighting & Sensors

Sensor Technology	PIR Motion Sensor, Light Sensor
Ambient Light Threshold	15 lux

Operation & Control

Operating Modes

- On (Continuous)
- Off
- Auto (Sensor-activated)

Installation & Design

Installation Options

- Adhesive Strips (3M)
- Screw Mount

Portability	Yes
-------------	-----

Applications

Recommended Applications

Kitchen • Corridor • Wardrobe • Closet
