

Rechargeable LED Night Light with Dual COB Panels

This rechargeable LED night light features dual COB panels for enhanced illumination. It includes a USB charging cable, offering convenient recharging for use as a night light or portable light source.

Product Overview

Versatile Dual COB Night Light

This rechargeable LED night light features dual COB panels designed to provide reliable illumination for various environments. Engineered with a compact profile and flexible mounting options, it serves as an efficient emergency light or portable light source. The unit is easily powered via a DC 5V input, making it a convenient solution for professional or domestic lighting needs.

Technical Specifications

Rated Power	6 W
Brightness	400 LM
Color Temperature	3000K-6500K
LED Type	40 pcs 5730 SMD

Power & Battery

Battery Capacity	1200 mAh
Input Voltage	5 V

Physical Dimensions

Unit Dimensions	8.5 x 12.0 x 2.5 cm
