

Rechargeable LED Torch with Super Brightness

Rechargeable LED torch designed for high performance and long-lasting illumination. Features a durable construction and ergonomic design for comfortable handling.

Product Overview

High-Performance Illumination

This rechargeable LED torch is engineered for superior brightness and reliable performance in demanding environments. Designed with an ergonomic grip and durable construction, it provides consistent illumination for both indoor and outdoor professional applications. The unit is optimized for long-lasting operation, ensuring dependable light when and where it is needed most.

Technical Specifications

Model Number	CTL-TH357A
Lighting Technology	LED
Power Source	Rechargeable

Features

Ideal Applications

- Indoor use
- Outdoor use
- General utility

Key Features

Rechargeable, Super Brightness, Ergonomic Design, Durable Construction
